What PeopleSupport did not tell you is that they do not want its shareholders to receive any offers from anyone. They received a fax and an overnight courier letter and a hand delivered letter from the buyout offerer, Pallonji Shapoorji Mistry, whose holdings include legitimate companies such as Forbes Technosys and Forbes Bradma Business Automation, and PeopleSupport refuse to tell its shareholders the truth. Pallonji Shapoorji Mistry's attorneys will be handling this matter now. How dare the company tell its shareholders that the offer is not legitimate before it talked with the offerer's attorneys.
